

# LANCASTER & DISTRICT DESIGN AWARDS 2019

## ENTRY FORM

The Lancaster & District Design Awards have celebrated good design in Lancaster and the surrounding area for more than 25 years. The Awards give recognition to projects, both public and private, whose external design and appearance enhance the built environment of Lancaster and the Lancaster district. We welcome entries from everyone in the community – residents, architects, community groups and builders. Projects should be completed and photographed, but do not necessarily have to be large-scale.

To qualify, the project must be within the Lancaster District, including Morecambe, Heysham, Carnforth, and all rural areas of Lancaster City Council. **To enter, please fill in the following items:**
